

Hi Ladies-

Spring is definitely here, as a lot of us know by our allergies kicking in.

The President's Cup, sponsored by Golf Cars of Arizona, was a great golf kick-off to Spring. Congratulations to **Bonnie Stark** our new champion! Bonnie shot net 65 both days--impressive stuff. On the first day, which was cold and blustery, her net 65 beat the league's average by over 11 shots. The second day's weather was much nicer (maybe perfect for golf) and the scores reflected that--19 people shot net par or better.

Our Club Championship, sponsored by Arizona Golf Cart Repair, is April 23 and 24. This year we will crown our first Senior Club Champion, so be sure to sign up. The deadline to register is April 10. Check our web site for more details.

Mark you calendars for our next member meeting on April 17 after golf. An agenda will be coming out soon.

Mike and Ken held a very successful clinic for us on sand shots this past week--they made getting out of the bunkers easy. Their next clinic for our league will focus on putting, on Monday April 30 at 9:00.

The first Home and Home event of the year will be May 8 at the Ranch. These events bring together ladies from the Ranch, Mountain View and HOA1 to play together at each of the 3 courses. The other Home and Home dates are May 29 at HOA1 and June 19 at Mountain View. Watch your email and the web site for more information.

Happy golfing

Jean
