

## July 2018 President's Message

Hello lady golfers-

This month we have a couple of volunteer opportunities for everyone to consider.

SBR is in the process of forming a SBR Golf Club Green Committee. The primary purpose of the Green Committee is to promote and improve golf at the Ranch and to facilitate communications between the SBR community and the Robson golf organization. The committee should represent the needs and interests of all golfers, so you needn't be an agronomist or scratch golfer to be an asset to the committee. If you're passionate about golf at the Ranch and have an interest in learning and contributing, think about applying. To do so, send an email to [SBRGreenCommittee@gmail.com](mailto:SBRGreenCommittee@gmail.com), and include a few sentences about your background, experience or knowledge that could benefit the Committee. Please respond by July 20th.

The other volunteer opportunity is helping out with the annual Community Golf Day in mid-September. This is a fun nine-hole golf event and lunch for everyone at the Ranch, whether or not they've ever played golf. Robson is a big sponsor of the event. If you'd like to help organize it, let me know.

A week or so ago you should have gotten an email about the Team Event that the Men's Golf Association is holding (which Terri Fraser dubbed the HOT AUGUST Team Event). 24 ladies have already signed up to play. The response has been great, so a couple things have changed since that email was sent. First, there will be at least three flights based on total team handicaps. Also, the deadline has been moved up to July 31, so find a partner and let me know your team. There are more details about the event on our web site.

We're making changes to our weekly chip-in pot to make signing-in each week a bit less hectic. If you want to participate, the Chip-In Club will be handled quarterly. Each quarter you can sign up with Barb Simms (and pay her \$5 by the first Tuesday of the quarter). This covers all the league play days in the quarter. Barb will track all the chip-ins and at the end of the quarter she'll pay out the winnings to everyone for each chip-in. You must clearly indicate your chip-ins on your scorecard, including the hole number. Since this is the first quarter we're doing this, email Barb ([bmscrs1@springsips.com](mailto:bmscrs1@springsips.com)) if you want to participate, and get her your \$5 by Tuesday July 17.

The Sadie Hawkins tournament is coming up on September 11, so it's not too early to try to snag a date with that guy you've been dying to get on the golf course.

And finally, don't forget the big sale in the Pro Shop on Monday July 2 from 3 to 6 pm--there's free wine, beer and snacks, so it's just like happy hour with shopping.

Happy golfing and stay cool.

Jean
